Contenu

The course is built around four themes:

1. Introduction to strategic management
2. Strategic analysis: Competitive analysis, resources and competences
3. Strategic choices: Business strategy, corporate strategy, strategic options (alliances, mergers and acquisitions, diversification, internationalisation)
4. Strategy implementation: Linking strategy, structure and culture; implementing strategic change

Forme de l'évaluation

Case submissions: 10% (group work)
Strategic company assessment: 30% (group work)
Final exam during the exam session: 60%

Final exam: The presence based final exam will be a closed-book exam lasting 120 minutes during the exam session. Physical dictionaries provided for consultation by the university are allowed. Neither documents nor connected devices are permitted during the exam. In case of violation of these rules, the exam will be deemed as failed.

In case of an online based exam session, the exam will be in an open book format lasting 120 minutes during the exam session. Physical dictionaries are allowed. Class documents will be allowed, yet any exchanges with third parties are forbidden.

Modalités de rattrapage

In case of a failure/insufficient grade, students have to take a written re-sit exam for which the same evaluation mode applies as for the exam.

Documentation

The main textbook used for this class is:
Whittington, Angwin, Regner, Johnson & Scholes, Exploring Strategy, Pearson, 12th edition, 2019.
